Gecca Easy Chair

Bamboo has long been one of the traditionally used materials in Japan. Focused on the unique aesthetic and functionality of this sustainable material, the designer Toshihiko Ushimaru implemented bamboo into the Gecca (lunar blossom) Collection. The carefully curved and constructed back gently supports the body, fully utilizing the springy characteristic of bamboo. The GECCA Collection won the Good Design Award in 2008.

Dimension W700 D755 H900 mm
 SH 380 mm
 AH 530 mm
 W28" x D30" x H35"
 SH15"
