Coty Seed Table & Side Table

The designer Hiroshi Yajima based the COTY series on the cotyledon of a sprouting seed. The COTY Seed Table features a unique shape of a seed, and natural solid oak or walnut is chosen to enhance the natural quality of the design. The natural stripes of sold oak or walnut add character to this table. The COTY Side Table features a unique structure of 3 round table tops at different heights.

	Seed Table	Side Table
